

BRONINGTON VOLUNTARY AIDED PRIMARY SCHOOL NEWSLETTER

23RD APRIL 2022

Welcome back to school for the summer term. In this newsletter you will find some new dates for your diary, post-covid arrangements and summer term uniform arrangements. We hope that this newsletter finds you well and that Easter has been a happy and safe time for your families.

Post-Covid Arrangements

The school path can now be used 2 ways and there is no need for parents/children to walk on the school drive anymore. There is also no necessity for parents to wear a mask or stand 2m apart from each other! Children may walk into school in groups - we will ask them to sanitise hands, but there are different places around school where this can be done. There will be no need for a queue of children in the main porch. At home time, class teachers will bring children out to you as a whole group which will hopefully reduce waiting times for you. Should you wish a quiet 'word' with the classteacher, or they request to speak to you, please feel free to come into school. You are also invited to come in and 'check out' the roof and flooring from the inside - many parents haven't seen it since it was completed.

Summer uniform.

As and when you and your childre/children are ready they may start to come to school in 'summer uniform'. This consists of a blue and white gingham checked dress or a pale blue polo-shirt with grey shorts, skirts or pinafore dresses. Pupils do not need to come to school in shirts and ties for this term at least. Should children be in any sort of summer sandal they should have closed toes. Forest school and PE days will still require appropriate clothing - those days will remain the same for the start of term at least.

Children should also come to school with a sun hat and sun cream already applied, should we have a very sunny days!

Church service

On Friday 29th April, We are planning to visit Holy Trinity Bronington to celebrate Easter. You are very welcome to come to church and celebrate this event. The service will begin at about 9.40am with the children walking from school at around 9.20am. The times are approximate and dependednt upon how long it takes us to get the flourescent jackets on etc and walk to church.

Literary News

A book written about Bronington VA Primary School and its history is now available - it is hot off the press! This book, written by Mr Adam Brodie, will be on sale in the school office from the start of term. The book goes back to the days when the original school was built. It is a fascinating read. Mr Brodie has very kindly agreed to the profits from his book, being donated to the school library - Thank you Mr Brodie we know that putting this book together has taken a great deal of time and effort. We look forward to your next book!
