

BRONINGTON BULLETIN!

We are a Nut Free School ! Due to children having severe reactions, please don't send in foods containing peanuts. Thank You

Dear Parents and Carers,

Congratulations on raising £87.50 for Children in Need last Friday, I think all the children had a wonderful time!

The big 'C' is gradually creeping ever closer, and with that in mind, we have arranged a trip to the pantomime, see details below and look out for permission forms and details of paying, in the coming weeks.

Bronze Reading awards this week for Rosie, Unashe Sophie and a Silver Award for Emily. Da lawn!

Winners of the Christmas Card Competition for Maelor Nurseries:

Class One Amelie

Class Two Elsie

Class Three Ollie

Staff are continuing to develop and have accessed training this week. Mr Glenhill is with class three to the end of the year.

Diolch

Mrs Fran Smith - Teacher in Charge

Diolch

Mr Austin Bowers - Associate Headteacher

Have you ordered your school photos yet? The closing date for free delivery back to school is Tuesday 29th November. Order through the Tempest website using your unique link or visit www.tempest-orders.co.uk

If you need any assistance in ordering your photos, feel free to contact Tempest on 01736 751555 (option 3).

BRONINGTON BULLETIN

The Welsh Government is currently reviewing its guidance on school attendance and is keen to include the views of parents and carers in this work. Working with Parentkind, they would like to hear from any parents and carers with a child who currently has, or has previously had issues with poor attendance so that they can better support young people.

Click [here](#) to access the survey.

After-School Club

A polite reminder that places at After-School Club MUST be booked in advance by calling mobile number: 07761025995

We cannot guarantee staff will be available if you book on the day.

As part of work to help communities through the cost of living crisis, the council is supporting the national Stop Loan Sharks Wales campaign. The aim is to raise awareness of loan sharks and the misery they cause, and to encourage anyone affected by illegal money lending to report it.

Anyone can report loan sharks online, or by calling 0300 123 3311. Click [here](#) /[cliciwch yma](#) for more information.

BRONINGTON, BULLETIN!

Keep going with the great IT training. It is vital for all future careers.

We should spend more time doing really hard maths

Today's presentation was great. Showing their IT and presentation talents.

Emphasis on getting back to handwriting instead of online as it was over lockdown.

Pen to paper writing skills should be more emphasis on this

Ambitious, capable learners

All children and young people will get support to be:

- ambitious, capable learners who are ready to learn throughout their lives

Collaboration with local Secondary schools to enhance learning experiences.

Encourage children to evaluate their learning, what could they have done better, would they do it differently next time? Kaisen, the ethos of continuous improvement.

Would local businesses like to come to present how they turned their ideas into a business? Like a mini careers fair?

Enterprising, creative contributors

- enterprising, creative contributors who are ready to play a full part in life and work

The school should be more vocal of its assets, achievements and learning ethos via Instagram or facebook etc.

More opportunities for children to go on school trips and to learn about the local environment and the history around them

Blank page for further ideas if needed!

A weekly "Head Teacher Award" in recognition of excellent effort/setting good example/helpfulness etc.

Life skills like leadership and taking direction in teams, role play for less confident children to play boss and be a leader and the more confident children to learn to take direction.

Children given the opportunity to try new forms of exercise/sport - hockey, football, netball, gymnastics

Learning could be connected to World events around us to create discussion and understanding.

More theme displays created by the children celebrating events such as black history month, St. George's day, St. Patrick's, woman's rights, VE Day, Diwali, Chinese New Year etc

Ethical, informed citizens

- ethical, informed citizens who are ready to take part in Wales and the world

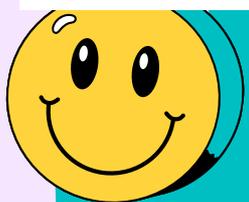

Encourage the children to learn about the geography of the world, the ethical and environmental factors affecting the planet.

Healthy, confident individuals

Opportunities for children to explore recipes and choose a monthly item to cook to encourage healthy eating and independence.

Swimming lessons via school. Not every child has access to lessons privately.

Healthy, confident individuals who are ready to lead fulfilling lives as valued members of society
