

BRONINGTON BULLETIN!

We are a Nut Free School ! Due to children having severe reactions, please don't send in foods containing peanuts. Thank You

Dear Carers and Parents,

Another busy week with fantastic performances by all the children either with the Christmas Concerts or their work this half term.

Thank you for your support by attending, buying raffle tickets or donating in any way.

Please join us on Wednesday for the Church service at 9.30am.

There is information for support, in many different ways, further in the newsletter and by clicking [here!](#)

In the foyer of the school is a box of free ladies hygiene products if anyone wishes to access these, please help yourself.

Looking towards next term. I will be supporting the school for the foreseeable future and Mr Gledhill be supporting class three.

Diolch

Mrs Fran Smith - Teacher in Charge

Understanding the symptoms of iGAS and Scarlet Fever

Treat at home

If your child has any of the following:

- Sore throat
- Headache

Cold and flu like symptoms are very common at this time of year, especially in children.

[Read more](#)

Most will have a common seasonal virus, which can be treated at home by keeping the child hydrated, and with paracetamol.

Contact NHS 111 Wales

If your child also develops any of the following:

- Fever
- Nausea or vomiting
- A fine red rash, which typically first appears on the chest and stomach. Older children may not have the rash.

Contact NHS 111 Wales or your GP for advice.

Contact GP straight away

If your child has any of the following:

- Fever (a high temperature above 38°C)
- Severe muscle aches
- Localised muscle tenderness
- Redness at the site of a wound

Contact your GP or get medical advice straight away.
