

# BRONINGTON BULLETIN!

Please remember we are a 'Nut Free' school.  
Please refrain from putting food containing nuts in your child's snack or lunch bag. Diolch

Dear Carers and Parents,

I am afraid the Buzzard has deserted us this week, we look forward to learning about him in future weeks. Please check out the 'Class News' to see what your children have been up to.

I am afraid I feel the need to include some polite reminders:

- Please can you remember to notify the school if somebody else is to pick up your child. We do have a duty of care and a responsibility to safeguard your child/ren. Due to these safeguarding procedures, please don't be offended if we need to contact a parent to check their permission, when collecting children from school.

Should you need to update any part of the permission/consent form, it will be available on the school website, but you can download a copy [here](#) for future use.

- Please can you give us ample warning if your child has medical appointments (doctors appointments made at short notice are understandable), it is helpful for Teacher's planning to know when children are going to be out of class.
- Please can parents refrain from blocking resident's drives when dropping off and collecting their children. Also we are receiving a number of complaints from residents, of parents using their driveways to turn around, causing damage to the drive surfaces. I'm sorry to say some parents have not been particularly polite when confronted. Please can we be polite when speaking to residents and have an understanding for their concerns.

And finally, we are very much looking forward to welcoming Mr Bowers back to school next week! Hoorah!

*Diolch*

*Mrs Fran Smith - Teacher in Charge*

A reminder to Class 2 parents to get your recipes ready and stock up on your baking ingredients, ready for the Bake Off on Thursday! (Please no nuts!!)

# BRONINGTON BULLETIN!

## Class News:

brought to you by Emily and Jake this week!

### Class 1

Language - We have been using chattapix to preform 5 little men in a flying saucer.

Maths - Beginning to use a ruler to measure length.

Topic - The children have chosen objects they would take up to the moon just little Baby Bear in the story "Whatever Next".

### Class 2

Language -Identifying verbs and adverbs.

Maths - Adding and subtracting lengths.

Science - Investigating planet rotation and revolution and discovered how night and day occur.

### Class 3

Topic / language - preparing a powerpoint on a chosen planet.

Maths - collecting and preparing information in excel for a database to include sunset, sunrise, temperature, rain chance % and wind speed. We have also worked on volume and capacity.

## Bumblebees

Bumblebees have been learning about the dentist and how to look after their teeth!

## parentzone

North Wales Community Safety Team have been in touch to inform us about an App to help parents have a greater understanding of safety online.

"ParentZone is a website that has a comprehensive guide to popular apps and websites that children use. They have individual guides per app and this can be a very useful tool for parents to help identify what apps are on their child's device (the little "icon" that represents the app) and what that app is like.

You can find their guide library here:  
<https://parentzone.org.uk/library?page=0>

# BRONINGTON BULLETIN!

Lottie's now raised £690 for the Little Princess Trust

As promised, here are some before, during and after photos of Lottie as she had her hair cut. The hair will be used to make real hair wigs for children who have lost their own hair due to cancer. She has also raised £690!! Congratulations Lottie!! And a Big 'thank you' if you have donated.
