Dear Carers and Parents,

This week has seen Class 2 and 3 receive assemblies looking at 'Speaking out and Staying Safe' watching online videos from the NSPCC.

Next week we look forward to meeting Father Jeremy Dussek as he comes to share lunch with the children on Tuesday. He will also be joining us for our Easter Service on Thursday, at Holy Trinity. We do hope many parents will also join us and afterwards come back to school for coffee and a slice of cake.

Congratulations this week goes to Lilly Ankers, who showed a wonderful example of Friendship to someone who was feeling a bit lonely. Friendship is one of our schools' Core Values. Lilly will be entertaining Teddy Jeremy this weekend.

Please can parents be aware that they should not be parking on the zigzag lines in front of school, they are there to ensure the safety of the children. Our local PCSO will be carrying out regular checks. .

Please can we politely remind parents to contact the school office either by telephone or email (see contact details box below) to notify us of a child's absence. Notifications **should not** be sent via Seesaw to class teachers. Thank you.

Finally, we would like to take your views again on Ysgol Bronington.

Universal Primary School Meals programme

Since September, all children in reception classes across Wales have been able to have free meals at school, and from April Universal Primary Free School Meals will be rolled out to all year 1 and 2 pupils in Wrexham as well. This is the second stage of the Welsh Government's response to the rising cost-of-living pressures on families, tackling child poverty and ensuring no child goes hungry in school. The same offer will be available to years 3 to 6 from September 2023.

Does your child already receive Free School Meals?

If your child currently receives Free School Meals based on your circumstances, you may also be entitled to additional help through the Pupil Development Grant, which includes financial support for uniform, sports equipment and devices. To access this year's scheme click [here](#)

So, as the summer term approaches, we are urging parents to apply for the support they're entitled to. Has your financial situation changed in the last year? If your child is not currently receiving Free School Meals, but your circumstances have changed this year, Wrexham might have support available for you. To check if you are eligible for Free School Meals, visit [Free school meals | Wrexham County Borough Council](#). If you are eligible, you may also be able to receive the Pupil Development Grant.

Parent Pay Account

You need to pre-order on Parent Pay. This really helps your child's school because teachers aren't spending time taking orders. It also means your child gets their first choice of meal and helps us reduce waste. Once you are set up on Parent Pay, you'll be able to book your children's meals up to two weeks in advance
