### Carer / Parental Survey Feedback / Comparison

Thank you to the 14 responders to the survey in March. The left hand side is the response from October 2022, the right hand side from March 2023. We have read all the comments. We have more to do but we are moving in the right direction!

My child likes this school.

I believe the school deals with any incidents of bullying, harassment or discrimination well.

Croeso yn ol. Welcome back. Our newsletter has a new look for the summer!

You should be aware of the consultation document regarding the proposed federation with Ysgol Madras. Paper copies are available in the school foyer. Please do attend the meetings and ask any questions that you may have.

Part of the document has a proposed staffing structure. This was dependent upon the budget for the year 2023/2024. (The budgets for both schools remain separate.) A revised staffing structure is now required due to budgetary pressures. It is proposed that there will be 3 classes in the morning but only two in the afternoon. The structure will still require the role of Teacher in Charge for Bronington. This post is currently being advertised. To this end, Miss Mills will sadly be leaving us at the end of the summer term. We thank her for all of her hard work and commitment to Ysgol Bronington and wish her luck in her future career.

The information is shared in good faith and in the open manner that we have worked since September, to establish clarity over the long term leadership of the school. Further details regarding class organisation, will be shared in the future as soon as possible.

Many thanks for your continued support.

Mr Austin Bowers, Mrs Fran Smith
