

Dear Parents,

This week has seen all classes begin their new topics. Please look out for your child's Topic plan detailing what we hope to be covering this term.

On Tuesday Wrexham Men's Football Club will be celebrating becoming Champions of the Vanarama National league and securing a return to the EFL. The women's team have also enjoyed a title winning season and promotion to the Genero Adran Premier league. The club will be celebrating with an open-topped bus parade around Wrexham city centre. As a way of joining in the celebrations and showing our support we are asking **children to come to school dressed in red**, for the day.

This week's recipient of Teddy Jeremy is Evelyn in class 3, for always showing a respectful attitude to her peers, staff and her work. Congratulations to Evelyn!

The proposed change from 3 classes in the afternoon to two, is driven by the budget not the federation. With current numbers the three morning classes would potentially be organised as follows:

Morning

Class One = total 12 (Nursery, Rec, Yr 1)

Class Two = total 11 (Yr 2, 3)

Class Three = total 20 (Yr 4, 5, 6)

Afternoon

Class Two = total 18 (Rec, Yr1, 2, 3)

Class Three = total 20 (Yr 4, 5, 6)

The morning will have more of a focus on the academic subjects of Literacy and Numeracy with the afternoon being more of an application of the skills used in the morning and wider curriculum experiences like Forest School, Art etc. The above information is shared as an example and I hope you can see that the ratio, especially in the morning, of children to learners will allow for plenty of individual attention for your children.

Mr Austin Bowers, Mrs Fran Smith
