Mr Austin Bowers

Dear Carers and Parents,

I am very much looking forward to working in collaboration with The Maelor Church Schools Federation (Borderbrook VC Primary and St Paul's VA Primary Schools) and Bronington VA Primary school and becoming headteacher of all three schools in September.

My name is Mrs Emma Jones, I first qualified as a teacher in 2001. I have worked in a variety of primary schools in Liverpool, Telford and Wrexham. I had been a teacher in St Paul's School for eleven years when I gained my NPQH. I became acting headteacher of The Maelor Church Schools Federation in November 2019 and successfully applied for the permanent position in April 2022.

I am passionate about the success of my church schools, I enjoy working with others to share expertise and I am always seeking ways to further improve. It is my job to support, engage and encourage both the children and staff in my schools; I believe that every child deserves an excellent education, with creative and exciting learning opportunities, I have high expectations for the whole school community.

The well-being of children, parents and staff is vital to create a happy, caring and nurturing environment where children can thrive, become independent to develop a love of learning and a thirst for knowledge. It is my duty to support all members of the school community, to provide children with quality experiences so that they can develop their unique individual talents to the full and achieve their highest academic potential.

Family is extremely important to me, I enjoy spending time with my husband Jonathan, our daughter, Megan who is 15 and our son, Harry who is 10. We have a beautiful Maltichon dog named Bella, she is two and we love taking her for walks. I have an extremely supportive extended family and these values underpin my drive and determination to support and care for others.

Being headteacher of two small rural church schools already, I understand the importance of community and Christian values. I hope to build on the strong links with parents and the wider community of Bronington and to make this twelve month collaboration a success for all involved.

Mrs Emma Jones
