

Bronington Bulletin

Friday 20th October

We have had another busy fortnight in school, the children have been taking part in lots of exciting learning opportunities and the classrooms have been full of smiling children all eager to learn.

One of the highlights has been our 'Journey Day', children from Borderbrook and St Paul's visited Bronington School and took part in activities linked to our Christian Value: Generosity and Harvest. I was extremely proud of the welcome our children gave to the visitors, new friends were made and I am looking forward to seeing these relationships develop with online learning opportunities and our joint residential trip to Glan Llyn next week.

I would also like to thank everyone for supporting events led by Friends of Bronington. The quiz night was a great success raising an amazing £227 and the fish and chip night was also well supported raising £45.

We really appreciate your continued support, diolch.

Yours Sincerely, Emma Jones, Headteacher

AFTER SCHOOL CARE

**DID YOU KNOW THAT YOU CAN
USE OUR AFTER SCHOOL CARE
ON A REGULAR OR IRREGULAR
BASIS?**

ASC is open until 4.30pm but
could be extended until 5.30pm
if there is enough additional
demand.

Please email
JupeE7@hwbeymru.net for
further information, to express
interest or to book your place.

This week we took our dinosaurs on an adventure outside. Following this we wrote short stories and postcards about what they did on their 'day out'.

We used our number matching skills and worked together to follow assembly instructions to build our new class tent and reflection space.

Developing number recognition, counting and addition skills whilst playing 'Dizzy, dizzy dinosaur'.

Using our creativity and problem solving skills to construct homes for our dinosaurs.

OUR CLASS 2 SCHOOL COUNCIL MEMBERS CREATED OUR HARVEST DISPLAY IN THE FOYER.

THANK YOU GOD FOR THE HARVEST.

WE LEARNT HOW TO USE A GIMLET TO MAKE HOLES IN A CONKER AND ADDED PIPE CLEANERS TO MAKE MINIBEASTS.

LAST WEEK WE RESEARCHED HISTORICAL USES OF CONKERS AND DISCOVERED THAT THEY CAN BE USED TO MAKE SOAP. OF COURSE WE HAD TO TRY TO MAKE SOME. LOOK AT THE SOAPY BUBBLES!

TASTY MARSHMALLOWS AND MUDDY FACES.

Location Wrexham Glyndwr Leisure Centre, Mold Road, LL11 2AW

The Nearly New Sale provides a great opportunity to pick up quality nearly new baby and children's clothes, toys and equipment at a fraction of the price you would pay on the high street. The sale provides the opportunity for parents to browse a wide range of nearly new items. Card and Cash taken.

PLAYMAKER TRAINING YEAR 5

In class 3, we have had a creative Welsh week, learning all of the important language we might need in Glan Llyn. We have been doing lots of 'numeracy across the curriculum', including data collection and creating and making recipes with a Welsh theme. We baked some delicious Welsh cakes with chocolate chips and some Bara Brith. Blasus iawn!

Year 5 also had some fun training to run games on the yard. They will become our new playground buddies after half term!

Emily and Amelia are our Super Ambassadors, they have created a webpage to share their own half termly update, scan the QR code below to view their work.

Don't miss the half term update from Emily and Amelia!

myHappyMind is a programme based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves!

To further embed this learning and ensure that you are able to engage in these topics with your child, myHappyMind has developed a set of resources for parents. These resources can be accessed online on your computer, or through an app on your phone. The resources allow children to continue to practise some of the habits they have developed at school, such as Happy Breathing, for you to learn more about what they are learning in the program. Also included are activities for you to do together at home, to complement the in-school lessons.

To access these materials just go to <https://myhappymind.org/parent-resources> and enter your name, email, and authentication code. Your authentication code is 400453

Parent Webinar:
Creating a Safe Digital
Playground for Your Child

by
natterhub

for parents of children
aged 5-11 years

Parent Webinar: Creating a Safe Digital Playground for Your Child.

23rd November, 7pm

The online playground can be a tough environment for primary-aged children. Inspired by World Mental Health Day and Anti-Bullying Week, this term's webinar will unite educators and parents to prepare children for the digital world.
