

Bronington Bulletin

Friday 27th October

Firstly, I would like to thank everyone who is part of the Bronington community for making me feel so welcome during our first half term, I am really enjoying getting to know everyone and working with you all. It has been a very busy half term and the children have given everything their very best efforts, they are a joy.

Having discussed with staff, we would like to alter the arrangements for our morning welcome. After half term all children will use the gate rather than wait for the door to be opened and go directly to the playground to spend time with their friends and play before the bell is rung at 8:55am. They will then take their belongings into the cloakroom and be ready to start their learning at 9:00am. There will be an adult to greet families on the gate and an adult supervising the playground.

We have rescheduled our Autumn disco for Friday 10th November, thank you for understanding the reasons for postponing and we look forward to seeing the children enjoy this event.

Your thoughts and opinions are very important to the smooth running of Bronington School, I would very much appreciate you taking a few moments to complete a short questionnaire below.

Yours Sincerely, Emma Jones, Headteacher

myHappyMind is a programme based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves!

To further embed this learning and ensure that you are able to engage in these topics with your child, myHappyMind has developed a set of resources for parents. These resources can be accessed online on your computer, or through an app on your phone. The resources allow children to continue to practise some of the habits they have developed at school, such as Happy Breathing, for you to learn more about what they are learning in the program. Also included are activities for you to do together at home, to complement the in-school lessons.

To access these materials just go to <https://myhappymind.org/parent-resources> and enter your name, email, and authentication code. Your authentication code is 400453
