

Bronington Bulletin

Friday 6th October

This half term is flying by, I can't believe we are in October already.

The children are all working incredibly hard at school and I am very proud of the work they are producing.

Thank you to everyone who attended our Harvest Service this week, I was amazed at the confidence of the children, and it was lovely to see every child involved in the service. Thank you for supporting the Bake Off in class 1, which raised £97.50 for the school. It means such a lot to the children and staff to have your support. Many congratulations to Conah who was judged to be Star Baker by our Super Ambassadors.

Yours Sincerely, Emma Jones, Headteacher

OUR MACMILLAN COCOA AND COOKIE MORNING

Pupil voice: a learner in class one expressed an interest in investigating light and dark so we constructed towers of light using magnatiles and battery powered candles.

Developing literacy and digital skills: Year 1 spelt 'oo' words using letters on wood cookies and recorded their work on SeeSaw.

Nursery and Reception have been measuring how tall and long our dinosaurs are.

Class 2 News

We have been learning about instructions. We washed toys and described how, using verbs and adverbs. Now we are starting to draw our own story maps to write our own instructions.

We helped Jigsaw Jo with her worries then made our own worry dolls to help with ours. We found out that children in Guatemala put them under their pillows at night and they take away their fears.

What have Criw Cymraeg been doing this week?

There are 5 pupils in Criw Cymraeg named Lottie, Amelia, Lilly, Tabetha, and Rosie. This week we have been looking at our Welsh targets and filling the progress sheet in; we have lots of targets that we are already achieving. But we need to start doing a couple more. One of them is for Criw Cymraeg to contribute to the school's newsletter and report on the school's progress with the language charter. Also, we have been designing a logo for our Criw Cymraeg, you will be able to see the logo in the coming weeks.

Class 3 News

We have been finishing our evacuee diaries in literacy and we have started looking at poetry. We have been learning the column method for addition in maths. We had some special visitors in from the Children's University this week too. We will be working towards the bronze award this term and we can't wait to get started!
