

Bronington Bulletin

Thursday 7th December

We all enjoyed a lovely day at St Paul's School last Friday, the children all learnt about Advent and the preparation for Christmas. They enjoyed spending time with their new friends and their behaviour and manners were excellent.

It has been lovely to hear so much singing in school this week as the children and staff prepare for and perform our concerts, the children have amazed us all with their confidence and overall performance, and the costumes are fantastic.

Many thanks to you all for your donations to our raffle and many thanks to FOBS for preparing the wonderful hampers on offer. We can't wait to draw the lucky winners on Monday 18th December so send your ticket stubs into school asap.

Thank you once again for your continued support.

Yours sincerely,

Emma Jones, Headteacher

AFTER SCHOOL CARE

DID YOU KNOW THAT YOU CAN USE OUR AFTER SCHOOL CARE ON A REGULAR OR IRREGULAR BASIS?

ASC is open until 4.30pm but could be extended until 5.30pm if there is enough additional demand.

Please email JupeE7@hwbcmru.net for further information, to express interest or to book your place.

Events at Holy Trinity Church, Bronington

Christmas Tree Exhibition- From
Sun 3rd Dec to Sat 6th Jan

Christingle Service- Sun 10th Dec,
3.30pm

Carol Service- Sun 17th Dec, 11am

All welcome

Every class has made crown decorations for the tree above which is currently on display at Holy Trinity. Why not pop to see it after the Christingle service this Sunday!

Class 1 and 2 have been busy rehearsing for their Christmas production, they can't wait to perform it for you.

Phonics and Maths Outdoors

Class 1 have used natural resources in the outdoors to support their understanding of part and whole models. They also enjoyed using the big blackboard to spell words including the sounds they have revised this week.

Class 1, 2 and 3 have worked hard to create beautiful crown themed decorations for our Christmas tree at church. Pop in to see their hard work from this Sunday.

It was very wet down at Forest school last week so we built a bridge, explored the puddles and made mud pies.

Class 2

We were treated to a wonderful Pantomime show performed by.... The children thoroughly enjoyed it and some of the children were even chosen to take part! They did a brilliant job and had the best time.

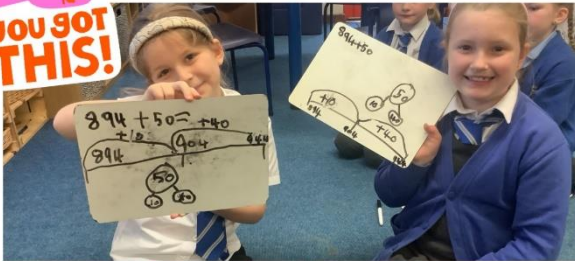

Class 2 have been working hard in Maths and were adding multiples of 10 in no time!

Class 2 enjoyed a musical workshop where they learnt about melody, pitch and tempo. They then went on to play 'Jingle Bells' and the Star Wars theme tune on their own glockenspiel. These mini musicians were all fabulous!

In Foundation Learning children have been investigating gravity and friction by setting up their own ramps and measuring how far a car travels down different heights of ramp and on different surfaces.

Adding multiples of 10
across a hundred

PERFECT PANTO!

We would like to provide our children with the opportunity to take part in more 'loose parts play'.

"When children interact with loose parts, they enter a world of "what if" that promotes the type of thinking that leads to problem solving and theoretical reasoning. Loose parts enhance children's ability to think imaginatively and see solutions, and they bring a sense of adventure and excitement to children's play". (Dale and Beloglovsky)

To provide our youngest children with this opportunity, we would like to give our outdoor classroom a facelift and need your help. We are looking for donations of time, skills and resources- please see posters for more information- if you can help in any way please get in touch.

If you would like to know more about 'loose parts play' and its benefits, please feel free to ask.

Many thanks in advance, Mrs L. Davies

YOUR SCHOOL NEEDS YOU

Do you have the time, skills or tools to help us create any of the following?
We are looking for donations of resources and volunteers to help give our outdoor classroom a face lift. If you think you can help, please contact Mrs E. Jones or Mrs Davies.
