

Bronington Bulletin

Friday 8th March 2024

Dear Bronington Families,

March is always a busy time for us at school with our Eisteddfod, World Book Day, Mother's Day and Red Nose Day. The children have been fantastic, we really do appreciate your efforts at home with homework tasks and costumes. Thank you for your support.

The staff and children have thoroughly enjoyed taking part in lots of enjoyable activities and the children have continued to develop their skills in learning too and have produced some lovely work.

Thank you to everyone who attended parent meetings this week, I am sure you will agree that all children are working very hard and the progress in their learning is excellent.

We are working hard to develop the outdoor areas, it is lovely to see the children so engaged in learning outside and the pride they are taking in their learning environment is lovely to see, as you can see from the photographs below.

As in my letter yesterday, we are asking for volunteers to help with our community day on March 17th. Please let a member of staff know if you can help and details of any tools and equipment you can provide. We hope to have our food and fun garden completed by the end of March.

We have been made aware that there is a case of thread worms in school. We are reminding children to wash their hands thoroughly and regularly, in addition high touch areas in the school are regularly cleaned. Please be vigilant of symptoms.

Wishing all of our Bronington mums a very happy Mother's Day on Sunday.

Thank you again for your continued support.

Yours sincerely,

Emma Jones,

Headteacher

World Book Day

We have had a wonderful story themed week. The children have enjoyed a range of activities based on traditional tales and 'Supertato'. Year one used their map skills to find stories hidden in the outdoor classroom in order to find 'Gangsta Granny's' hidden treasure.

Maths- Shape

Last week a group of Welsh dragons stole our 2D shapes. We had to hunt them down, name the shapes they had pinched in order to find the right key to unlock padlocks. We also had to describe shapes by naming their properties in order to help our friends name the shape hidden in the sand pit.

Cana came to teach us about harmony.

Class 1 and 2 enjoyed a spot of gardening last week. They planted bluebells, garlic and some fruit trees. They have also been busy developing their tennis skills ready for Wimbledon!

We've had some lovely visitor's including the Creepy Crawly Show and Cana from Wrexham music co-operative. The children all loved meeting lots of new animals and had the best time.

In the week leading to St. David's Day we learnt about why the Welsh flag has a red dragon on it, prepared and cooked Welsh cakes over the fire at forest school and read stories about St. David.

We've made lots of progress in our new garden area this week. Class 1 and 2 have planted fruit trees and bushes along with wild garlic and bluebells. Class 3 helped to move nearly 2 tons of soil and sowed our first vegetable seeds.

In class 3, we have had a busy couple of weeks. We have made pizzas using fractional quantities for our toppings; made cookies and altered the recipe to make enough for everyone; celebrated St David's Day with a big creative Eisteddfod; had a dress up day for World Book Day; and everything in between.

We've chosen to take some time in class to focus on kindness too and have started a new novel called Wonder. We can't wait to show some of the creative work we have created as we move through the book.
