

Bronington Bulletin

Friday 31st January 2025

Dear Bronington Families,

I hope this letter finds you well. I would like to take a moment to express how much I enjoyed the Candlemas service at church yesterday. The children sang beautifully, and their confidence in speaking was truly lovely to witness. A huge thank you to those families who managed to attend and support our children.

I am incredibly proud of the work I am seeing the children engaged in. They are not only enjoying their topic work, but the standard of work being produced is commendable. The displays around the school are fabulous, creating an enriching learning environment for all.

Additionally, I am excited to inform you that Mrs Davies has been planning an enterprise challenge in collaboration with the Head of Business Studies at The Maelor School, Penley. All of our cluster primary schools will be participating. Four children from Bronington had the opportunity to visit The Maelor School, where the Head of Business Studies, along with GCSE Business Studies students, guided us in understanding the project. This initiative will be shared with the rest of the year 4/5/6 class, and we will be developing our business plans over the next few weeks.

The children seem to have enjoyed being part of the Wrexham Museum regeneration project. They have helped to develop a brand new interactive exhibit, based on the hats worn to work in some of the industries based in and around Wrexham, now and in the past. The new combined Wrexham Museum and Football Museum Wales will open in 2026.

Friends of Bronington have requested that I share a poster for their upcoming quiz and curry night in March. For those interested in attending, please contact Friends of Bronington using the details provided on the poster at the end of the newsletter.

Our current attendance rate, stands at 94.3%. I would like to remind you that every day spent at school significantly contributes to your child's learning journey. While we understand that days absent due to illness are unavoidable, we kindly ask that you make every effort to ensure your child attends school each day.

Lastly, I wish to emphasise the importance of safety outside the school gates. Although the yellow lines may be faded, they are there to protect all children. Please refrain from parking or stopping on these lines to keep our children safe.

Thank you for your continued support.

Yours sincerely,
Emma Jones,
Headteacher

Attendance Matters!

Our school's attendance target is 97%, there are 190 days in a school year.

More time in school means more time to learn, develop, grow and time to become the very best you!
Education + Attendance + Effort =
Endless Possibilities

As part of our Santes
Dwynwen celebration we
decorated biscuits and
made cards. We really
enjoyed the Dwynwen
Disco too!
