

Bronington Bulletin

Friday 9th May 2025

Dear Bronington Families,

I hope this letter finds you well and enjoying the beautiful weather we have been experiencing at the beginning of this short half term. The children have had a delightful time participating in our VE Day celebrations and have eagerly begun exploring their new topics.

I would like to thank all families who have participated in our family cooking sessions. The sessions thus far have been a success, with positive feedback from the children. It has been lovely to witness the collaboration between children and their adults in creating some delightful fruit kebabs and pasties. Next week, they will have the opportunity to make chicken fried rice, which promises to be another exciting venture.

FoBS held their first meeting of the Summer Term on Wednesday 7th. We discussed the events of last term (Quiz, Bunny Drive and Cake Sale) which raised a total of over £350. A big thank you to all who supported these events, especially to Maelor Nurseries who match funded their employees (who entered a team and won!!) and donated £120!! Last term FoBs supported the children in school by contributing £420 towards the cost of swimming transport and £109 for the subscription to TTRockstars - every penny raised goes towards supporting the children in school.

We are busy planning for events this term, the first of which is the Coffee Morning which is to be held at school on Saturday 17th May 10am-12pm. This event is open to all and it would be lovely to see as many people as possible come along and support the event -please see the poster for details. We need donations of cakes and/ or raffle prizes for the day please.

We will also be at the Tractor Run again. This year it is on Sunday 6th July and we intend to run the Mystery Bottle stall again as it was a real success last year. We need lots of bottles for this and there will be a Crazy Hair Day on Friday 20th June where all pupils are able to wear crazy hair in return for donations of bottles. Bottle suggestions are: shampoo, sauce, juice, lemonade, beer, wine in fact anything in a bottle we can then wrap in newspaper!! If you feel you can help at any of the events we would really appreciate some extra support, we are a small group and would love to see some new faces to help keep things running. Our next meeting is June 18th but you don't need to come along to the meetings to support the events. We have a WhatsApp group where we share plans etc and are very flexible so if you can help please do.

Yours sincerely,
Emma Jones,
Headteacher

VE Day Party

PIC•COLLAGE

We were invited to visit Sandstone Brook Care Home to work with residents with VE day decorations, the children enjoyed talking to the residents and listening to their stories.

The children planned their own VE Day party. They researched foods from World War Two, found recipes and budgeted for these, children found which supermarket would be the most cost effective and we visited Aldi to buy the items for the recipes.
