

Bronington Bulletin

Friday 23rd May 2025

Dear Bronington Families,

As we wrap up another half term at Bronington School, I would like to take a moment to reflect on what has been a fantastic time, filled with sunshine and the happy faces of our lovely children. It's been wonderful to see our pupils so excited and engaged in their learning.

A huge thank you to our Friends of Bronington who organised a wonderful coffee morning on Saturday. It was lovely to welcome so many of our families and local community to join us for cake, coffee and a chance for children to join together. The funds we raised in such a short time were absolutely incredible, £345 is just amazing and we are extremely grateful to our children's club who have match funded this amount. Thank you all!

Another big thank you to everyone who attended our family cooking sessions this half term. Your involvement not only strengthens our school community but also provides your children with special opportunities to learn and explore alongside you.

Pam from Groundworks wants to continue offering family learning sessions at our school after half term. The "Numbers in Nature" course will focus on outdoor learning and aims to help families engage with their children in a fun environment. It's a great chance to spend quality time together. We understand that not every family can participate, so feel free to sign up for as many sessions as you can. Just a heads up, we'll need a minimum of six adults to run the course, and I need to let Groundworks know the numbers by Friday, 30th May. Please complete the form using the link below to book your sessions: <https://forms.office.com/e/2GE3viHrBE>.

Looking ahead, we have an exciting final half term planned, packed with fun activities. We're eager to welcome everyone for our 'Bring an Adult to School Day', where children will get to share their memorable experiences with family. Our Journey Days are set to provide unique adventures, and Sports Day promises to be a thrilling celebration of our students' sporting talents.

We also have school trips lined up to Bewilderwood and the Liverpool Museum, which will undoubtedly enhance our children's learning through exploration and discovery. A special highlight of the term will be our Year 6 leavers service, a meaningful occasion to recognise and celebrate our pupils' achievements as they move on to their next adventure.

As always, your support means the world to us, and we genuinely appreciate your involvement in these upcoming events. Together, we can create fantastic experiences that our children will cherish.

I hope you all have a wonderful half term filled with happiness and relaxation.

Warm regards,
Emma Jones

AFTER SCHOOL CARE

DID YOU KNOW THAT YOU CAN USE OUR AFTER SCHOOL CARE ON A REGULAR OR IRREGULAR BASIS?

ASC is open until 4.30pm but could be extended until 5.30pm if there is enough additional demand.

Please email JupeE7@hwbcmru.net for further information, to express interest or to book your place.

Attendance Matters!

Our school's attendance target is 97%, there are 190 days in a school year.

More time in school means more time to learn, develop, grow and time to become the very best you!

Education + Attendance + Effort = Endless Possibilities

- * Meet the team and join our learners for a lesson.
- * Explore our indoor and outdoor provision.
- * Learn about our curriculum and the wonderful experiences we offer.

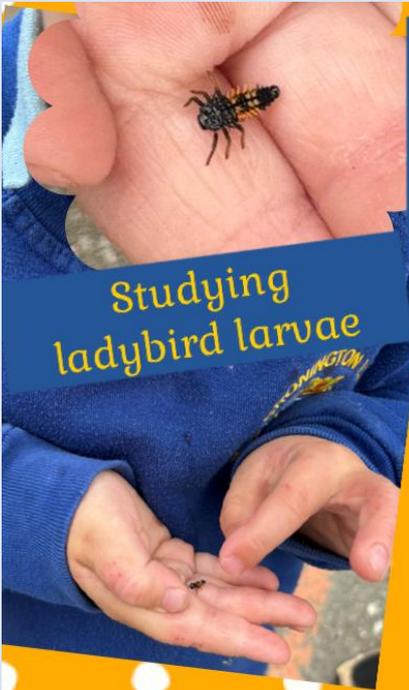

Congratulations
to Otis and
Harry who both
earned their
Reading
awards this
week. There's
still time to
earn yours
before the end
of the year, so
get reading at
home.

Class 1 have enjoyed the weather and the opportunities it brings in the outdoors.

Studying ladybird larvae

Planting potatoes

Exploring sieving and sifting in the sand

Discovering an ant nest full of eggs in our compost

Experimenting with floating/ sinking as well as bubbles and soap in the water tray.

PIC·COLLAGE

Coffee morning

Archbishop Young Leaders Award

Class 3 went out on an information gathering mission round the village to find areas we could help to improve. We found several ways in which we think we can help our community- watch this space for developments.

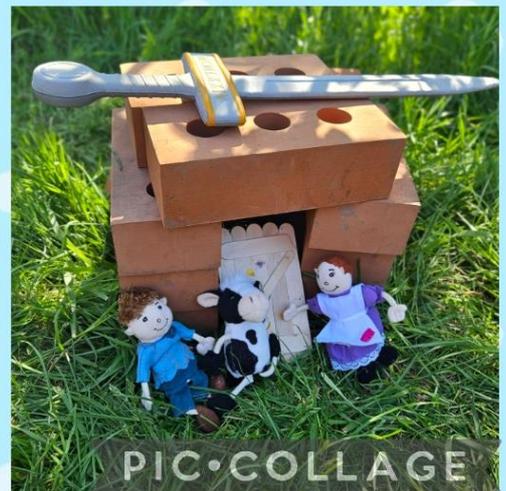

**WE MADE A NEW
BASKET FOR
LITTLE RED RIDING
HOOD**
