

# Bronington Bulletin

Friday 1<sup>st</sup> May 2026

Dear Bronington Families,

We have had such a busy and exciting start to this half term, and this week's newsletter also includes photographs from previous newsletters that we were unable to add at the time. We hope you enjoy sharing these lovely memories with the children.

Our Year 5 and 6 residential visit to Cardiff was a real highlight. The children were an absolute pleasure to take – their behaviour was exemplary throughout the trip and they represented Bronington School superbly at all times. They had a fantastic time exploring our capital city, with highlights including visits to the Principality Stadium, The Royal Mint, Cardiff Castle, Big Pit National Coal Museum, St Fagans National Museum of History, bowling, and of course the unforgettable speed boat ride around Cardiff Bay. We are incredibly proud of every single one of them. A huge thank you to the staff who gave up their time to supervise the visit and make it such a memorable experience for our pupils.

We also had a fantastic response to our Bring an Adult to School Day. Thank you all so much for attending – it really does mean so much to the children to have you there and to share an insight into their day. The children were so proud to show their learning and classrooms, and it was a joy to see how much they valued having you alongside them.

Alongside this, pupils have enjoyed visits from a rugby coach, which have been a great opportunity to develop skills, teamwork and confidence.

### Looking Ahead – Key Dates

We have lots of exciting events coming up over the next few weeks:

- Park Hall Farm visit for Ms Davies' and Miss Farley's classes – Monday 12th May
- School photographs – Tuesday 19th May
- Year 6 photographs for *The Leader* – Monday 18th May
- Journey Day to Borderbrook – Thursday 21st May
- 

Finally, we hope you all have a lovely Bank Holiday weekend. We look forward to welcoming everyone back to school on Tuesday 5th May.

Thank you, as always, for your continued support.

FROM OUR BRONINGTON FAMILY PIC • COLLAGE

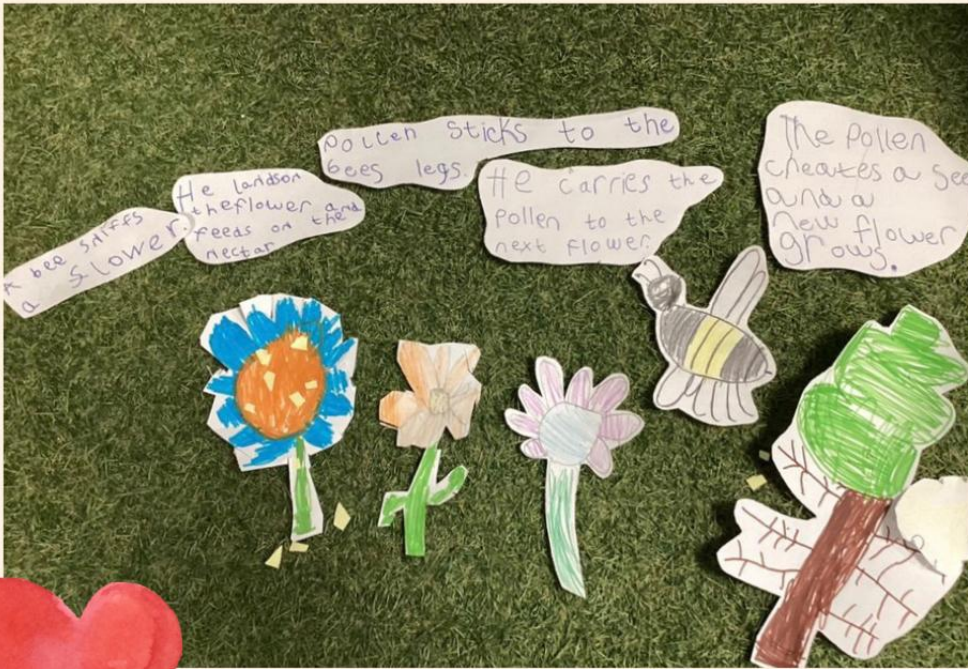

Year 3 use Adobe express to create their own videos, explaining the process of pollination. They planned their ideas, chose their own video clips and clearly described how the bees help plants make new seeds. A brilliant blend of science and digital creativity. They hope you enjoy watching them!
